# A BILL

To require the Secretary of the Interior to develop and  
maintain a cadastre of Federal real property.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Federal Land Asset  
5       Inventory Reform Act of 2021”.

1 **SEC. 2. CADASTRE OF FEDERAL REAL PROPERTY.**2 (a) **DEFINITIONS.**—In this section:3 (1) **CADASTRE.**—4 (A) **IN GENERAL.**—The term “cadastre”  
5 means an inventory of real property developed  
6 through collecting, storing, retrieving, or dis-  
7 seminating graphical or digital data depicting  
8 natural or man-made physical features, phe-  
9 nomena, or boundaries of the earth, and any in-  
10 formation related to the data, including—

11 (i) surveys;

12 (ii) maps;

13 (iii) charts;

14 (iv) satellite and airborne remote  
15 sensing data;

16 (v) images; and

17 (vi) services of an architectural or en-  
18 gineering nature performed by 1 or more  
19 professionals, as authorized to perform the  
20 services under State law, if applicable,  
21 such as—

22 (I) a surveyor;

23 (II) a photogrammetrist;

24 (III) a hydrographer;

25 (IV) a geodesist; or

26 (V) a cartographer.

1                             (B) INCLUSIONS.—The term “cadastre”  
2                             includes—

- 3                                 (i) a reference frame consisting of a  
4                             current geodetic network that is consistent  
5                             with, and not duplicative of, the National  
6                             Geodetic Survey of the National Oceanic and  
7                             Atmospheric Administration;
- 8                                 (ii) a series of current and accurate  
9                             large-scale maps;
- 10                                 (iii) an existing cadastral boundary  
11                             overlay delineating all cadastral parcels;
- 12                                 (iv) a system for indexing and identi-  
13                             fying each cadastral parcel; and
- 14                                 (v) a series of land data files, each in-  
15                             cluding the parcel identifier, which can be  
16                             used to retrieve information and cross-ref-  
17                             erence between and among other existing  
18                             data files that may contain information  
19                             about the use, assets, and infrastructure of  
20                             each parcel.

21                             (2) DEPARTMENT.—The term “Department”  
22                             means the Department of the Interior.

23                             (3) FEDERAL REAL PROPERTY.—The term  
24                             “Federal real property” means any real property

1       owned, leased, or otherwise managed by the Federal  
2       Government.

3           (4) LANDHOLDING AGENCY.—The term “land-  
4       holding agency” means a Federal department or  
5       agency with statutory authority to control real prop-  
6       erty.

7           (5) REAL PROPERTY.—The term “real prop-  
8       erty” means real estate consisting of—

- 9                  (A) land;  
10                 (B) buildings, crops, forests, or other re-  
11       sources still attached to or within the land;  
12                 (C) improvements or fixtures permanently  
13       attached to the land;  
14                 (D) any structure on the land; or  
15                 (E) any interest, benefit, right, or privilege  
16       in the property described in subparagraphs (A)  
17       through (D).

18           (6) SECRETARY.—The term “Secretary” means  
19       the Secretary of the Interior.

20           (b) CADASTRE OF FEDERAL REAL PROPERTY.—

21            (1) INTERAGENCY DATA STANDARDIZATION.—  
22       Not later than 18 months after the date of enact-  
23       ment of this Act, the Secretary, in consultation with  
24       the heads of landholding agencies, shall jointly de-  
25       velop and adopt interagency standards to ensure

1 compatibility and interoperability among applicable  
2 Federal databases with respect to the collection and  
3 dissemination of data relating to Federal real prop-  
4 erty.

5           (2) DEVELOPMENT OF CADASTRE.—Not later  
6 than 2 years after the date of enactment of this Act,  
7 the Secretary, in consultation with the heads of  
8 landholding agencies, shall develop (and thereafter  
9 maintain) a current and accurate multipurpose ca-  
10 dastre of Federal real property and any real prop-  
11 erty included under paragraph (3)(A) to support  
12 Federal land management activities on Federal real  
13 property, including—

14           (A) resource development and conserva-  
15 tion;

16           (B) agricultural use;

17           (C) active forest management;

18           (D) environmental protection; and

19           (E) other use of the real property.

20           (3) COST-SHARING.—

21           (A) IN GENERAL.—The Secretary may  
22 enter into cost-sharing agreements with States  
23 to include any non-Federal land in a State in  
24 the cadastral under paragraph (2).

1                             (B) COST SHARE.—The Federal share of  
2                             any cost-sharing agreement described in sub-  
3                             paragraph (A) shall not exceed 50 percent of  
4                             the total cost to a State for the development of  
5                             the cadastral of non-Federal land in the State.

6                             (4) CONSOLIDATION AND REPORT.—Not later  
7                             than 180 days after the date of enactment of this  
8                             Act, the Secretary shall submit to the Committee on  
9                             Energy and Natural Resources of the Senate and  
10                             the Committee on Natural Resources of the House  
11                             of Representatives a report describing—

12                             (A) the existing real property inventories  
13                             or any components of any cadastral of Federal  
14                             real property currently authorized by law or  
15                             maintained by the Department, including—

16                                 (i) the statutory authorization for  
17                             each existing real property inventory or  
18                             component of a cadastral; and

19                                 (ii) the amount expended by the Fed-  
20                             eral Government for each existing real  
21                             property inventory or component of a ea-  
22                             dastre in fiscal year 2020;

23                             (B) the existing real property inventories  
24                             or any components of any cadastral of Federal  
25                             real property currently authorized by law or

1                    maintained by the Department that will be  
2                    eliminated or consolidated into the multipurpose  
3                    cadastral under paragraph (2);

4                    (C)(i) the existing real property inventories  
5                    or any components of any cadastral of Federal  
6                    real property currently authorized by law or  
7                    maintained by the Department that will not be  
8                    eliminated or consolidated into the multipurpose  
9                    cadastral under paragraph (2); and

10                  (ii) a justification for not eliminating or  
11                  consolidating an existing real property inven-  
12                  tory or component of a cadastral described in  
13                  clause (i) into the multipurpose cadastral under  
14                  paragraph (2);

15                  (D) the use of existing real property inven-  
16                  tories or any components of any cadastral cur-  
17                  rently maintained by any unit of State or local  
18                  government that can be used to identify Federal  
19                  real property within that unit of government;

20                  (E) the cost savings that will be achieved  
21                  by eliminating or consolidating duplicative or  
22                  unneeded real property inventories or any com-  
23                  ponents of any cadastral of Federal real prop-  
24                  erty currently authorized by law or maintained

1 by the Department that will become part of the  
2 multipurpose cadastral under paragraph (2);

3 (F) a plan for the implementation of this  
4 section, including a cost estimate and an assess-  
5 ment of the feasibility of using revenue from  
6 any transactional activity authorized by law to  
7 offset any costs of implementing this section;

8 (G) an assessment described in subpara-  
9 graphs (A) through (E) with regard to each ca-  
10 dasdre and inventory of Federal real property  
11 authorized, operated, or maintained by each  
12 other Federal agency, which shall be conducted  
13 in consultation with the Director of the Office  
14 of Management and Budget, the Administrator  
15 of the General Services Administration, and the  
16 Comptroller General of the United States; and

17 (H) recommendations for any legislation  
18 necessary to increase the cost savings and en-  
19 hance the effectiveness and efficiency of replac-  
20 ing, eliminating, or consolidating Federal real  
21 property inventories or any components of any  
22 cadastral of Federal real property currently au-  
23 thorized by law or maintained by the Depart-  
24 ment.

25 (5) COORDINATION.—

1                             (A) IN GENERAL.—In carrying out this  
2 section, the Secretary shall—

3                                 (i) participate (in accordance with sec-  
4 tion 216 of the E-Government Act of 2002  
5 (44 U.S.C. 3501 note; Public Law 107-  
6 347) and section 757 of the Geospatial  
7 Data Act of 2018 (43 U.S.C. 2806)) in the  
8 establishment of such standards and com-  
9 mon protocols as are necessary to ensure  
10 the interoperability of geospatial informa-  
11 tion pertaining to the cadastre under para-  
12 graph (2) for all users of the information;

13                                 (ii) coordinate with, seek assistance  
14 and cooperation of, and provide liaison to  
15 the Federal Geographic Data Committee  
16 established by section 753(a) of the  
17 Geospatial Data Act of 2018 (43 U.S.C.  
18 2802(a)) for the implementation of and  
19 compliance with such standards and re-  
20 quirements of that Act as may be applica-  
21 ble to—

22                                 (I) the cadastre under paragraph  
23 (2); and

1                                     (H) any aspect of the development  
2                                     of the cadastral under paragraph  
3                                     (2);

4                                     (iii) integrate, or make the cadastral  
5                                     interoperable with, the Federal Real Prop-  
6                                     erty Profile or other inventories established  
7                                     pursuant to Executive Order 13327 (40  
8                                     U.S.C. 121 note; relating to Federal real  
9                                     property asset management), the Federal  
10                                  Assets Sale and Transfer Act of 2016 (40  
11                                     U.S.C. 1303 note; Public Law 114-287),  
12                                  or the Federal Property Management Re-  
13                                  form Act of 2016 (Public Law 114-318;  
14                                  130 Stat. 1608); and

15                                     (iv) to the maximum extent practi-  
16                                     cable, integrate with and leverage current  
17                                     cadastral activities of units of State and  
18                                     local government.

19                                     (B) CONTRACTS CONSIDERED SURVEYING  
20                                     AND MAPPING.—

21                                     (i) IN GENERAL.—A contract between  
22                                     the Secretary and a member of the private  
23                                     sector to provide products and services for  
24                                     the development of the cadastral shall be  
25                                     considered to be a contract for services of

1                    surveying and mapping (within the mean-  
2                    ing of chapter 11 of title 40, United States  
3                    Code).

4                    (ii) SELECTION PROCEDURES.—A  
5                    contract described in clause (i) shall be en-  
6                    tered into in accordance with the selection  
7                    procedures in chapter 11 of title 40,  
8                    United States Code.

9                    (e) TRANSPARENCY AND PUBLIC ACCESS.—The See-  
10                  retary shall—

11                  (1) in accordance with any requirements appli-  
12                  cable to the Department under section 759 of the  
13                  Geospatial Data Act of 2018 (43 U.S.C. 2808),  
14                  make the cadastral under subsection (b)(2) publicly  
15                  available on the internet—

16                  (A) in a graphicallly geo-enabled and  
17                  searchable format; and

18                  (B) in a manner that is consistent with,  
19                  and meets any requirements for integration  
20                  with, the GeoPlatform established under section  
21                  758(a) of that Act (43 U.S.C. 2807(a));

22                  (2) ensure that the inventory referred to in sub-  
23                  section (b) includes the identification of all land suit-  
24                  able for disposal in accordance with the Federal

1 Land Policy and Management Act of 1976 (43  
2 U.S.C. 1701 et seq.); and

3 (3) in consultation with the Secretary of Defense  
4 and the Secretary of Homeland Security, prevent  
5 the disclosure of any parcel or parcels of land,  
6 any buildings or facilities on the land, or any information  
7 related to the land, buildings, or facilities if  
8 that disclosure would impair or jeopardize the national  
9 security or homeland defense of the United  
10 States.

11 (d) APPLICABLE LAW.—Any data that is part of the  
12 cadastral developed under subsection (b)(2) shall be—

13 (1) considered to be geospatial data for purposes of the Geospatial Data Act of 2018 (43 U.S.C.  
14 2801 et seq.); and

16 (2) subject to the requirements of that Act.

17 (e) EFFECT.—Nothing in this section—

18 (1) creates any substantive or procedural right  
19 or benefit; or

20 (2) requires or authorizes—

21 (A) any new surveying or mapping of Federal  
22 real property;

23 (B) the evaluation of any parcel of land or  
24 other real property for potential management  
25 by a non-Federal entity;

- 1                   (C) the disposal of any Federal real prop-  
2                   erty; or  
3                   (D) any new appraisal or assessment of—  
4                       (i) the value of any parcel of Federal  
5                   land or other real property; or  
6                       (ii) the cultural and archaeological re-  
7                   sources on any parcel of Federal land or  
8                   other real property.

9                   **SECTION 1. SHORT TITLE.**

10                  This Act may be cited as the “Federal Land Asset In-  
11                  ventory Reform Act of 2021”.

12                  **SEC. 2. CADASTRE OF FEDERAL REAL PROPERTY.**

13                  (a) **DEFINITIONS.**—In this section:

14                  (1) **CADASTRE.**—

15                  (A) **IN GENERAL.**—The term “cadastre”  
16                  means an inventory of real property developed  
17                  through collecting, storing, retrieving, or dissemin-  
18                  ating graphical or digital data depicting nat-  
19                  ural or man-made physical features, phenomena,  
20                  or boundaries of the earth, and any information  
21                  related to the data, including—

- 22                       (i) surveys;  
23                       (ii) maps;  
24                       (iii) charts;

1                             (iv) satellite and airborne remote sens-  
2                             ing data;

3                             (v) images; and

4                             (vi) services of an architectural or en-  
5                             gineering nature performed by 1 or more  
6                             professionals, as authorized to perform the  
7                             services under State law, if applicable, such  
8                             as—

9                             (I) a surveyor;

10                            (II) a photogrammetrist;

11                            (III) a hydrographer;

12                            (IV) a geodesist; or

13                            (V) a cartographer.

14                             (B) INCLUSIONS.—The term “cadastre” in-  
15                             cludes—

16                             (i) a reference frame consisting of a  
17                             current geodetic network that is consistent  
18                             with, and not duplicative of, the National  
19                             Geodetic Survey of the National Oceanic and  
20                             Atmospheric Administration;

21                             (ii) a series of current and accurate  
22                             large-scale maps;

23                             (iii) an existing cadastral boundary  
24                             overlay delineating all cadastral parcels;

1                             (iv) a system for indexing and identifying each cadastral parcel; and

2  
3  
4  
5  
6  
7  
8  
9                             (v) a series of land data files, each including the parcel identifier, which can be used to retrieve information and cross-reference between and among other existing data files that may contain information about the use, assets, and infrastructure of each parcel.

10                             (2) *FEDERAL REAL PROPERTY*.—The term “Federal real property” means any real property owned, leased, or otherwise managed by the Secretary concerned.

11                             (3) *REAL PROPERTY*.—The term “real property” means real estate consisting of—

12                                 (A) land;

13                                 (B) buildings, crops, forests, or other resources still attached to or within the land;

14                                 (C) improvements or fixtures permanently attached to the land;

15                                 (D) any structure on the land; or

16                                 (E) any interest, benefit, right, or privilege in the property described in subparagraphs (A) through (D).

1                   (4) *SECRETARY CONCERNED.*—The term “Sec-  
2                   retary concerned” means—

3                   (A) the Secretary of the Interior; or  
4                   (B) the Secretary of Agriculture, acting  
5                   through the Chief of the Forest Service.

6                   (b) *CADASTRE OF FEDERAL REAL PROPERTY.*—

7                   (1) *INTERAGENCY DATA STANDARDIZATION.*—Not  
8                   later than 18 months after the date of enactment of  
9                   this Act, the Secretaries concerned shall jointly de-  
10                  velop and adopt interagency standards to ensure com-  
11                  patibility and interoperability among applicable Fed-  
12                  eral databases with respect to the collection and dis-  
13                  semination of data relating to Federal real property.

14                  (2) *DEVELOPMENT OF CADASTRE.*—Not later  
15                  than 2 years after the date of enactment of this Act,  
16                  the Secretaries concerned, subject to the availability of  
17                  appropriations, shall develop (and thereafter main-  
18                  tain) a current and accurate multipurpose cadastre of  
19                  Federal real property under the jurisdiction of the  
20                  Secretaries concerned to support Federal land man-  
21                  agement activities on Federal real property, includ-  
22                  ing—

23                   (A) resource development and conservation;  
24                   (B) agricultural use;  
25                   (C) active forest management;

- 1                   (D) environmental protection; and  
2                   (E) other use of the real property.

3                   (3) CONSOLIDATION AND REPORT.—Not later  
4                   than 180 days after the date of enactment of this Act,  
5                   the Secretaries concerned shall submit to the Com-  
6                   mittee on Energy and Natural Resources of the Sen-  
7                   ate and the Committee on Natural Resources of the  
8                   House of Representatives a report describing—

9                   (A) the existing real property inventories or  
10                  any components of any cadastre of Federal real  
11                  property currently authorized by law or main-  
12                  tained by the Secretary concerned, including—

13                  (i) the statutory authorization for each  
14                  existing real property inventory or compo-  
15                  nent of a cadastre; and

16                  (ii) the amount expended by the Fed-  
17                  eral Government for each existing real prop-  
18                  erty inventory or component of a cadastre  
19                  in fiscal year 2020;

20                  (B) the existing real property inventories or  
21                  any components of any cadastre of Federal real  
22                  property currently authorized by law or main-  
23                  tained by the Secretary concerned that will be  
24                  eliminated or consolidated into the multipurpose  
25                  cadastre under paragraph (2);

1                   (C)(i) the existing real property inventories  
2                   or any components of any cadastre of Federal  
3                   real property currently authorized by law or  
4                   maintained by the Secretary concerned that will  
5                   not be eliminated or consolidated into the multi-  
6                   purpose cadastre under paragraph (2); and

7                   (ii) a justification for not eliminating or  
8                   consolidating an existing real property inventory  
9                   or component of a cadastre described in clause  
10                  (i) into the multipurpose cadastre under para-  
11                  graph (2);

12                  (D) the use of existing real property inven-  
13                  tories or any components of any cadastre cur-  
14                  rently maintained by any unit of State or local  
15                  government that can be used to identify Federal  
16                  real property within that unit of government;

17                  (E) the cost savings that will be achieved by
